

Registering Your Student Card with sQuid

Go to <http://www.squidcard.com/dundeecollege.html>

Scroll down to **Create a sQuid account online:**

You will be asked to fill information about yourself:

Fill in your details and choose a **username** and **password:**

Your Username and Password
Please create your own unique Username and Password, which you will need each time you login to your account. For security purposes these are both case sensitive, so take care to remember where you use capitals and lower case letters.

Username *
This can contain letters and numbers and is case sensitive.

Password *

You will be asked to type in a **security question**, choose something you will remember, but is personal to you, like your first school, or your pet's name:

Create a sQuid account online

Register your NEC card with sQuid:
- Enter a few personal details to create an account.
- Top up your sQuid account online
- Top up from a bank transfer, or credit or debit card
- Protect your card balance should it be lost or stolen

[Click here to register](#)

Step 1: Your details

Your personal details * denotes mandatory fields

Please enter your personal details. These will be used to communicate with you and notify you about your sQuid account. We will never pass on your details without your permission.

Please Select

Decide whether you would like to receive emails and offers from sQuid, then accept the **terms and conditions** by ticking the box.

Click **Next**.

You will then be asked to enter your **registration number** and **3 digit security code:** the images on screen show which number is which, they are **found on the back of your student card.**

Your account will then be created and you can click **Top up** to complete:

You can **top up** by **bank transfer** or **by card**. Select a method and enter your details:

You can log back in at any time to **top up** or **check your balance**.

Your Security question

Please create your own Security question and Answer. You will also be asked for the Answer to your Security question each time you login to your sQuid account. Please keep all of your security information safe.

Security question *
Create a Security question that's personal to you and which you will easily remember, for example 'my first pet's name'.

Answer *
Enter the Answer to your Security question, for example 'scuffy'. This must be at least 5 characters long.

sQuid messages

sQuid will occasionally send you customer service messages about your sQuid account. Also:-

sQuid and our affiliated scheme partners would like to keep you up to date with messages, for example news and offers. Please tick this box if you DO NOT want to receive these messages from sQuid.

sQuid may have offers of interest to you for similar goods and services from other parties. Please tick the box if YOU DO want to receive these messages from sQuid.
